The **Capital Development Levy** is payable in January each year. The tuition fees, TT& I Levy and the Parents Association Levy are payable over the following 11 months (February to December) and are invoiced in advance. Account holders are reminded that the monthly payment of fees is done strictly by debit order in advance. Should the full (annual) amount be settled before 31 January, 10 % discount will be given on the tuition fees. 5% discount on tuition fees for quarterly settlement will apply on receipt of fees no later than the first day of term either by direct deposit to the school's bank account or at the Finance office.

There is a 25% discount on the tuition fees of the third and youngest child entering Mitchell House, provided that all three children are in attendance at the same time. This discount falls away when one of the children leaves the school.

**PLEASE NOTE:** Discounts are **not** applicable when financial assistance has been granted.

Cross Boarder learners, including boarders, are required to have their fees paid annually or quarterly in advance.

The **TT&I Levy (Transport, Tours and IEB)** covers the cost of termly outings in the Pre and Junior Phase, the annual camps from Grade 4 - 10, bus fares to sport and cultural events for all Grades and the IEB Grade 12 final exam fee. Activities not included in this levy are, specialised overnight sports tours, subject specific outings (such as a Geography tour) and international tours which will be debited to accounts on an ad-hoc basis.

School lunches are available from Monday to Thursday. Children are encouraged to stay for lunch as the compulsory extra curricular programme starts soon thereafter. Please ensure that your child is registered for lunch by completing the form at reception. Kindly note that this fee has been calculated excluding the school holidays and on the assumption that most learners do not attend lunch during exam periods. A light meal on Friday afternoons can be arranged at an additional cost. This is only available to learners who receive lunch throughout the week and are enrolled at aftercare.
